

CAMEROON is a country of 22 million souls; it is bigger than Texas and Oklahoma combined. Since 1992, Paul and Janet Kee have been the only evangelistic Church of Christ missionaries living in Cameroon. Over 220 congregations exist, with a faithful membership of over 7,000. The Kumbo Christian Bible School, Nso' trains men and women as leaders who can teach others also, 2 Timothy 2:2.

Nso' (pronounce en-SO) is the largest tribe under one Fon (king) and one dialect in the country, with about 550,000 subjects. Paul understands much of the language, but he uses fluent pidgin English to teach and preach – 75% of the adults read English. He is deeply involved with the Dedication of the complete Bible in Lamso'. Paul is a traditional ruler (clan leader), Faay Shu Lav Mfu' Nyuy. Janet is called Wiyy Baa.

Nso', at 5,500 feet, has a cooler climate than the coast (10 hours away), and has almost 80,000 in the city. There are 450,000 people in Bui Division, with over 40 congregations in the area. The Kees and their co-workers also care for over 40 more in the Mbembe area 5 hours north, even over into Nigeria.

The Kees started the work in Nso' from scratch in 1982. Working alongside them are three evangelists and their families. Jean-Pierre and Rosine Magnam were both brilliant Bible School students, and they have an adopted daughter. He has been the Vice-Principal of the French section of K.C.B.S., Nso' since 2001. Kiru Simon and Joan-Mary have four children. He is the Vice-Principal of the English section of the Bible School, since 2011. Fai Emmanuel Kigha is an evangelist, but also an elder of the Nkavikeng congregation. Both he and Elizabeth have Third-Year diplomas. They have four sons, two who are married.

Church planting is the main focus, mostly in the 5 months of dry season. The Bible School is unique, running 6½ months a year, two terms, so that Church leaders being trained can go home for almost half a year. In this way they plant, keep any jobs going, and work with their congregations. Most of our graduates are self-supporting, back in the congregations from which they came. Paul and Janet are under Collinsville, IL.

50 Years in Africa

January 2017 marks 50 years since Paul's parents, Windle and Barbara Kee, went to Nigeria. The Biafran War caused them to leave to Cameroon. Paul started preaching in December 1967 and went back in the summers of 1972-1976 as an apprentice.

W. Paul and Janet Kee

have been doing full-time mission work since 1976. Paul went to Harding because of the Mission Internship Program, and got his Master's from Harding Graduate School of Theology in Memphis. He was Missionary-in-Residence at Freed-Hardeman in 2000-2001. Janet has a degree from Southern College of Optometry and has given out almost 9,000 pairs of used eyeglasses and cases, along with tracts and Bible lessons.

YOUR partnership in the Kees'

Cameroon work is INVALUABLE.

Many congregations and individuals take part in our work on a one-time basis. Over 60 congregations and members share on a MONTHLY basis. Here is some of what YOU can do . . .

\$110 = Two Boxes of ESV Bibles - Crossway has made us a great offer, if we will buy 6,000 large print Bibles, or more. We have to pay the shipping, but \$110 pays for 48 Bibles and for the U.S. shipping. Distribution from house to house, and to people who study through the Bible Lesson Office is a very important part of our efforts, especially in Church planting. Giving Bibles to some who have never held one in their hands is greatly rewarding! We have given out almost 37,000 Bibles house-to-house in 258 villages. We plan on sharing 6,000 to 10,000 more this next tour.

\$95 = Ten Copies of the Lamnso' Bible - To be Dedicated on November 19th, the complete Bible in our dialect has been our dream for 29 years. Four of our brothers worked on translating the Old Testament part, and we have all thoroughly revised the 1990 New Testament. We ordered 1,000 on Faith, to be given out for Free to those who do our 21 Bible Lessons in Lamnso'.

\$300 = One Tire - We do ship a few mud-grip (all terrain or snow) tires over, but most of the tires we buy in Cameroon - tougher ones for our terrible bush roads. We average a new tire every month on one of our vehicles, especially the big Chevrolet.

\$500 = Thompson Chain-Reference Bibles, the Eternal Kingdom, Beginning Hebrew, Library. Kumbo Christian Bible School gives three textbooks, in addition to the other 55 files of notes and worksheets. Our library is woefully short of both French and English reference books and Bibles.

Monthly Commitments are Our FOCUS

We have been so blessed by the loyalty of so many faithful individuals and congregations.

YOU can be a continuing part of this effort!

\$300 = Evangelist's Support - Our co-workers do NOT work as local preachers. They are underpaid for the work they do in Church planting and Bible School teaching. We have not had a raise in 8 years, so each of these three needs an additional \$300 per month.

\$200 = Support of Part-Time Workers - We have 12 men who give the equivalent of one week a month to go out and help the more than 80 congregations, and to do dry season evangelism. We need more of you to share in this seriously needed program.

\$500 = Printing Shop Costs - We are praying for a congregation (or family) to take on this responsibility. Our Risograph, photocopies, computers, and printers are all worn out and MUST be replaced. With the Bible School, the Bible Lesson Offices, the public Bible Lectures, High School Bible classes and Bible distribution, we make about 7,000 copies every week.

\$6,000 = more Monthly Mission Working Fund In the last 8 years, our monthly support has reduced over 30%. Yet we have been sustained by one-time contributions, thank the Lord! We hope and pray for others to commit themselves monthly.

Monthly Budget Increase Goal = \$9,800: Personnel, Printing, Vehicles, Machines, Bible School, Support, etc.

Budget for One-Time = \$170,000: Dormitory, Car, Library, Tires, Photocopier, Bibles, Fund Raising, etc.
